REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We believe the success of our school is a direct result of the power of the International Baccalaureate framework, the strength of the delivery of curriculum, the rigor, the commitment of our students, teachers, administration, parents and community leaders. For the past two years, the SIC has been committed to improving the overall health and wellness of the students and faculty at the school to impact student achievement. The SIC wrote and was awarded a grant: "The Whole Child Award", an award recognizing schools whose culture exemplifies one or more of the five tenets of The Whole Child Initiative: Healthy, Safe, Supported, Challenged, Engaged. A fitness track on school grounds was built to be used by students, teachers and administrators. The school also purchased exercise and fitness equipment. As a result of student questionnaires, changes were made to our cafeteria: addition of new entrée and side items as well as healthy snack options; more fresh fruits and vegetables; a fresh soup and salad bar to the daily lunch options; improvement of healthy breakfast choices; implementation of a new card swipe system to be used for meal and library accounts. The School Improvement Council works to provide effective communication, report school progress, distribute information and act as a liaison between parents, teachers, community members, and the district and school administration. Together, we will continue to work to enhance the learning environment and opportunities for all HHIES IB students. We hope you will join us to help build a stronger foundation for their future.

Sincerely,

Jill McAden, Diana B. Mangan

Principal, President, SIC, 2011-2013
