REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Forest Hills Elementary is located in the heart of historic Walterboro. Our current enrollment of 717 students includes a diverse population of students. Our students, faculty and staff have worked diligently once again to make the current school year a great success.

Positive Behavior Intervention and Support (PBIS) was continued school-wide. NWEA's Measures of Academic Progress (MAP) test data was analyzed to drive our instruction and meet the needs of all of our students. Several of our teachers Looped with their students to the next grade to increase student achievement. Students, faculty, and staff participated in various community outreach events such as: Pennies for Patients, Relay for Life, Food Drive in conjunction with Lowcountry Hospice to support food pantries at local churches, and Jump Rope for Heart.

Technology in the classroom continued through the use of SMART Boards for our entire first through fifth grade teachers by engaging students in active learning. Smart Document cameras continued to be used by our teachers. A math remediation period was held each morning for 30 minutes for every student in our school to work on math skills. Differentiated instruction was provided through small, flexible groups and provided intervention and instruction based on students' MAP scores (Measure of Academic Progress). Our teachers worked diligently to provide data driven instruction to meet the needs of our students.

Student progress and success were celebrated through perfect attendance, honor roll and quarterly recognition ceremonies. Forest Hills Elementary is a school where positive attitudes are working together for success!
