REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Geiger Elementary School, located in the southern region of Fairfield County, continues to be a staple in the Ridgeway Community. The school serves approximately 320 students in Child Development through 6th grade. Geiger's greatest strength comes from its wonderful student body, excellent parents, supportive community, and dedicated staff. Collectively, these stakeholders work to demonstrate the belief that it takes "Teamwork to Make the Dream Work!"

We are proud of our positive and nurturing learning environment where students work toward achieving academic excellence. Student achievement continues to be the top priority, as teachers collaborate and design lessons that provide differentiated instruction and utilize data to meet the needs of each student. Teachers focus on the uniqueness of each student to address all learning styles as they improve instruction. We utilize the latest technology, such as interactive whiteboards, iPads, wireless Chromebooks, and Kindles to maximize student learning.

Our school receives federal funding, which has enabled us to decrease student/teacher ratio, provide additional interventionist for Response to Intervention, implement continuous professional development for teachers, and purchase a variety of resources and materials to support classroom instruction.

In addition to providing a rigorous academic curriculum, Geiger continues to focus on the development of the total child by implementing mentoring and educational programs such as the Boys and Girls of America, Geiger Gems and Gents, Chorus, Breakfast Reading Buddies, Art Club, Miss Geiger Pageant, and multiple award programs.

During the 2012-2013 school year, students at Geiger benefited from the first year of implementing PBIS (Positive Behavior Interventions Supports) initiative, which strongly emphasizes positive social skills and a reduction of behavioral problems. Teachers believe in teaching the whole child through life skills and life long guidelines, community building activities, and accentuating the "positives."

Our students participated in such activities as Student Data Notebook reviews, Reading Counts, Pennies for Patients, Relay for Life, local nursing home visits, and PBIS Celebrations throughout the year. Such experiences were instrumental in promoting those positive behavioral life skills such as responsibility, caring, and initiative.

It is our hope that the collective efforts of parents, teachers, and the community will enable students to reach their highest potential and display that "Tiger Pride" of Geiger Elementary in all areas of life.
