Percent of expenditures for instruction**	71.0%	Down from 71.1%	69.0%	68.0%
Percent of expenditures for teacher salaries**	70.0%	Down from 70.1%	67.0%	66.0%
ESEA composite index score	96.4	Up from 93.4	91.5	88.0

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	30	93	46
Percent satisfied with learning environment	93.3%	82.8%	80.5%
Percent satisfied with social and physical environment	83.4%	79.4%	95.6%
Percent satisfied with school-home relations	96.6%	88.2%	80.4%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Wateree Elementary School is moving upward! Under the 2012 ESEA waiver from No Child Left Behind, we scored 93.5, an A rating, which "substantially exceeds the state's expectations." We also maintained our prior year School Report Card Absolute Rating of "Good" and Growth Rating of "Average." In addition, we met the state's student attendance goal with 96.4% student attendance. As a Title I School in 2012-13, all Title I funds were spent prudently, including a plan to enhance our instructional technology and put the school on a five-year rotation schedule for technology updates. New computers replaced both of the student computer labs and all teacher laptops; printers, scanners and document cameras were placed in all classrooms. Title I funds also paid for a certified teacher to tutor struggling students in kindergarten through second grades. All students in the program showed measurable gains! We added Irene Fountas' and Gay Su Pinnell's Leveled Literacy Intervention program for third through fifth grade tutoring, resulting in increased student interest and faster gains in reading! IXL assessments were purchased for special needs children to hone in on the most vital curricular areas with the least growth. Wateree's Response to Intervention student assistance team remained a very strong and effective component in pulling together plans and resources for making students as successful in school as possible. In math, teachers focused heavily on learning the basic math facts of addition, subtraction, multiplication and division to create a strong foundation on which to build additional skills. Many students commented that math problems became easier and less time-consuming than before. In science, WES will no longer refurbish FOSS Kits but will use grade level classroom kits built from scratch based on the blended SC Academic Standards and Common Core State Standards. Classrooms will continue to use Social Studies Weekly student newspapers next year.

Character education is integrated into all areas of school, and WES received a PBIS Ribbon from the SC Department of Education for its ongoing strength and effectiveness. The school and community donated human hair for wigs for cancer patients, and the school raised more than \$15,000.00 for the American Cancer Society's annual Relay for Life event. These efforts helped students learn the importance of giving back to a community that so kindly gives to local schools.

Finally, the main concern of everyone at WES is student safety. We purchased a new, state-of-the-art visitor check-in system for the front office and conducted a Safe Routes to School traffic audit to improve the car rider drop-off and dismissal lines. We thank everyone for all you do to make WES students safe, happy and successful!

Phyllis Cleveland, SIC Chair
Gail Stehle, Principal
