Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pine Grove Elementary strives to educate children, develop strong home/school relationships and maintain partnerships with the community. Our mission is to prepare every student to be a successful, contributing citizen in a global society by providing an effective and high quality education. In order to uphold our vision we collaborate with an engaged community, we are committed to ensuring each learner achieves his/her potential in a safe, caring academically challenging and diverse learning environment that will develop productive citizens for a changing world.

In July 2012, the South Carolina Department of Education was granted a waiver from several requirements of the Elementary and Secondary Education Act. Pine Grove Elementary scored a grade of 89.6=B. "Performance exceeds state's expectations." The academic successes of our students remain our number one priority. Academic gains of improvement were made on our 2012 Palmetto Achievement of State Standards assessments in the areas of Writing, Math, and Science. Through the implementation of nature base inquiry for Science, we will continue to make gains during the 2013-2014 academic year. Additionally, we will continue the use of our math and reading interventionist teachers to increase academic success. Our focus for next will be the full implementation for Common Core State Standards for grades K-5. Our Positive Behavior Interventions Supports (PBIS) will also continue to be implemented with a stronger focus on responsible student behavior.

This year we had two teachers to be recognized as National Board Certified Teachers. Faculty and staff members will continue to participate in ongoing professional development activities. The professional development activities will focus on using instructional strategies that will facilitate higher learning.

Our PTA/SIC continued to encourage and focus on parental involvement with civic engagement in our children's education. Our annual Muffins for Moms & Doughnuts for Dads celebration were well attended. A sea of mothers and fathers cascaded over our multipurpose room and had to be extended into the cafeteria. Our annual Pine Grove Ball was again a huge success with the outstanding support of business partnerships, parents and the community. The students, parents, staff and community enjoyed "A Night in Paris" theme and the collaboration was demonstrated through the superb attendance. The Midlands Reading Consortium along with employees from the South Carolina Department of Corrections provided volunteer service time for our Lunch Buddy Program, Reading Partners and Mentors. Our faith based partner, Pine Grove A.M.E. Church continued to render outstanding support through their volunteer services and sponsorship to our school.

We will continue to strive for academic success for all students. This will be achieved by a community of learners in each classroom and positive parental involvement.
