Percent satisfied with school-home relations	80.8%	93.7%	81.7%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Throughout the 2012-2013 school year, Wilder Elementary School continued the road to excellence by using data to drive instruction, which fosters academic growth for all students. Teachers and instructional leaders utilize Measures of Academic Progress (MAP) as one tool to provide necessary information to meet the individual instructional needs of students in grades K-5. Our recent implementation of MAP allowed us to see steady growth in our students each assessment period. The growth trends were enhanced through student, parent, and teacher goal setting which were held during fall and spring parent conference times. Daily Early Morning Jump Start back to basics program along with RIT groups, flexible grouping, and differentiated instruction taught by all certified staff as well as support staff allowed students to have one-on-one or small-group instruction.

To stay on the cutting edge of providing our students with effective teachers, Wilder instituted Professional Learning Communities (PLC's). The in-depth focus on delivery of instruction through the process of continued use of scientific-based strategies has made a remarkable impact on teachers and students. Wilder's staff, through intense training and weekly professional development, has resulted in increased student achievement along with teachers showing growth in the quality of planning and executing daily lessons. The weekly professional development became a place of comfort to share instructional strategies as well as receiving support from colleagues.

As a result of our continued hard work, Wilder is an A+ school with an Absolute Rating of 99.3% on the ESEA/Federal Accountability System. Community and civic duties remain a priority at Wilder Elementary School. Our caring students collected and donated funds for Jump Rope for Heart, Relay for Life, Leukemia Society with "Pennies for Patients" and the local YMCA "Change a Life Campaign". To promote good citizenship in our students, we recognize Terrific Kids, Writer of the Week, and SOARING High character on the Wake-Up Wilder morning show. The staff and Sumter community share the mission to provide all children with an opportunity to excel in academics and in personal and social areas.

The school PTA and SIC have been dedicated to the needs of everyone at Wilder Elementary. Our PTA and SIC support our school in celebrations and incentives for our students. With students, parents, staff, and community working together, we can continue to "SOAR to the Highest."

David A. Wright, Principal
Charles Thompson, SIC Chairperson
