Percent satisfied with school-home relations	97.4%	90.1%	94.9%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"Year Four" was a year of accomplishments for the Panther Family. Our community agreement for the 2012-2013 school year was, "One T.E.A.M., One Dream." Students, teachers, and parents focused on demonstrating the lifelong guidelines of trustworthiness, truthfulness, encouraging others with no put downs, active listening, and my personal best. This focus set the tone for a positive and productive learning environment for all of our community members and was recognized by those both inside and outside of our Panther Family. In order for us to fulfill our vision of developing and supporting a sense of T.E.A.M within each child, we recognized behavior through classroom recognitions and our Blue Wall of Fame recognitions. Additionally, the lifelong guidelines were promoted in guidance lessons and community meetings. During the school year, we were recognized for excellence in a number of areas. We received an absolute performance rating of Excellent and a growth rating of Excellent on our third state report card. As a result of our excellent rating, we earned a Palmetto Gold Award for general PASS performance and closing the achievement gap, which is the highest academic honor recognized by the State Department of Education. For the first time in our school's history we achieved Palmetto Gold in both areas of performance. Our school scored a 100% on the new federal accountability system and an "All Clear" status from the State Department of Education for having highly qualified teachers in each classroom.

Our students, faculty, and parents have continued on their path towards being leaders in our building. The faculty at PKES participated in teacher-led professional development sessions that focused on innovations such as Project-based learning, Highly Effective Teaching, Whole Brain Teaching, Writing across the curriculum, and Thinking Maps. The faculty at PKES continues to demonstrate leadership by implementing community events that provide engaging activities for our community. During the school year, we held a school picnic, a father/daughter dance, several fitness nights, a mother/son basketball game, a chorus concert and a film festival. Our students continue to provide leadership in a variety of different activities provided by the school. Among these activities were art club, community patrol, dance club, chorus, news crew, newspaper, and reading club. In addition to the duties in and out of the classroom, our teachers participated in community service such as Susan G. Komen Race for the Cure and Ronald McDonald House. Our never tiring PTO continued to be an instrumental part of our school community.

With the support of our PTO, School Improvement Council, and parent volunteers, we are looking forward to a successful "Year Five" at Pleasant Knoll Elementary. Travis Howard, Principal
Jean Piermattei, SIC Chair
