According to 2012 PASS results, LMHS outscored middle schools with students like ours in the exemplary category in science and social studies. AP Art, AP Literature, AP Statistics are now in full implementation at LMHS. This school year produced the most career completers/concentrators that LMHS has had in five years. LMHS boasts 100% passing rate on the State Licensing Exam in our Nail Technology Program.

The implementation of the 7th grade academy was instrumental in assisting incoming students with developing effective study habits, time management skills, and other habits of success.
