REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

One year after receiving the prestigious NASSP/MetLife Breakthrough Schools Award, Wade Hampton High School has been recognized by Newsweek and US News and World Report magazines as one of America's Best High Schools for 2013. For the fourth year in a row, we have received an absolute rating of Excellent on the school's report card, in part, by achieving the Palmetto Gold Closing the Gap and Palmetto Gold for Student Achievement awards for the past three and four years, respectively. Wade Hampton has also been recognized by the State Department of Education with ACT and SAT Performance Awards for improvement on the college entrance exams. Such distinctions, however, can only be fully appreciated in the students that we serve: Wade Hampton graduated 389 students in 2013, up 34 students from the previous year. Our student body is led by an extremely talented team of faculty and administrators whose accolades throughout the year have added to the already impressive list of accomplishments. We had one finalist in the Greenville County Teacher of the Year selection process and another teacher, after publishing three articles in the national magazine Leadership, will represent Wade Hampton at a national conference in Las Vegas, Nevada in June 2013. Our students, led by an award winning student council, exemplify what it means to be a General. Collectively we raised over \$206,000 for charity and Wade Hampton was selected to host the Southern Association of Student Councils Southern Region Convention for 2013-2014. Two of our students were selected to serve as co-presidents and will act as hosts for this event. Our Air Force JROTC was recognized for receiving an Outstanding Organization Award and several students were recognized for their achievements in our fine arts programs. Athletically, we had several teams excel in their efforts including; a state runner-up in girls' cross country, a school record for wins in girls' tennis, a return trip to the upper state finals in girls' basketball and an upper state finals appearance by the boys' baseball team. We had six athletes who were selected to participate in state all-star games and had 53 scholar-athletes. Academically, the athletic program carried a GPA over 3.8, which is not surprising considering over one third of our students were enrolled in at least one AP course (601 students took 869 AP exams this year). Our 2013 graduates earned nearly 15 million dollars in scholarship offers; among these were 28 Palmetto Fellows and two National Merit Scholars.

While we enjoy the accolades bestowed upon us, we work diligently to establish new goals for which to guide us in the direction of excellence for all members of the Wade Hampton High School family.
