REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The A.C. Flora School Improvement Council is very proud of the achievements that our students have made throughout the 2012-2013 school year. Our students have risen to the challenge of taking more rigorous courses and have excelled as a result. To keep up with the students, our faculty and staff have been busy attending various training sessions and professional development activities to create a more innovative classroom environment.

We started the year off by teaming up with the Richland County Sheriff's Department, Richland County Solicitor's Office, Palmetto Health, Richland One Community Coalition, Richland County Family Court and many more organizations to present the second annual Community Drug and Alcohol Forum. School administrators and department heads have attended our meeting to speak about such areas as building security, emergency procedures, Athletic Department scheduling, Guidance Department responsibilities, and Literacy. We also encouraged parents and students to send us their concerns that have resulted in a wide range of improvements.

Your School Improvement Council is committed to insure that every student who walks in the doors of A. C. Flora has the appropriate resources and support to thrive in today's competitive society.
