REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

SC Whitmore School (SCWS) is a public virtual charter high school serving over 300 students from every county in the state. SCWS opened in 2011-12 authorized by the SC Public Charter School District.

The challenging mastery-based curriculum meets all SC academic standards and 100% of our teachers are certified and highly qualified. Working one-to-one with caring and supportive teachers, students revise each lesson until they achieve mastery. The individually-paced system allows a student to begin a new course at any time during the calendar year and progress at the pace he or she finds most comfortable. We offer 230 instructional days for students who need more time to complete their courses.

As a result of our unique approach, our school has been able to help students achieve academic success, who had previously struggled in a traditional learning environment. Additionally, students who wish to accelerate their learning have the opportunity to earn college credit through Seward College as well as complete their graduation requirements ahead of their scheduled graduation. Several students in the class of 2013 graduated early.

SCWS hosts educational field trips and social gatherings across the state where students have face-to-face time with faculty, staff and fellow students.
