## Report of Principal and School Improvement Council

Merriwether Middle School is located in rural Edgefield County and serves approximately 380 sixth, seventh, and eighth grade students from various economic and ethnic backgrounds. Merriwether Middle School prides itself in providing each student the opportunities for successful experiences. We strive to offer a curriculum that maximizes the intellectual, emotional, social, and physical development of our emerging adolescents. We understand the unique needs and concerns of our young adolescents as well as the developmental challenges of this age group. Our curriculum is designed to assist our middle school students through the transitional period between elementary school and high school. Every student attends five academic classes and two exploratory classes. Exploratory classes include band, chorus, keyboarding, computer assisted instruction, and art.

Students have an opportunity to take high school credit courses. English 1, Algebra 1, Band 1 and keyboarding are offered to eighth grade students for high school credit. High school credit in keyboarding and computer application is also offered to qualifying seventh grade students.

The collaboration between our community, teachers, students, and administration has proven to be an excellent recipe for success. In 2013, Merriwether Middle was recognized as a Palmetto Silver Award Winner for outstanding academic achievement on PASS. Eleven eighth grade students were recognized as S.C. Junior Scholars. Our Science ECO-Meet team competed in the CSRA regional competition. Our Mathcounts team placed 1st in the region. The Merriwether Middle School Honor Band received an Excellent rating in the SCBDA-Concert Festival and an Excellent rating in the Carowinds Music Festival. In addition, two students qualified for SCBDA region band. Several students received a superior rating for SCBDA Solo Ensemble. 100% of our students enrolled in Algebra 1 passed the end-of-course Algebra 1 test and English 1 classes are continuing to show growth as well. 25 students were qualified to participate in the Duke TIP Program. One of our biggest accomplishments was starting a gifted and talented program called GATEway. Our GATEway program targeted sixth grade gifted and talented students. The purpose of the GATEway program is to promote academic achievement through increased rigor and innovative instructional strategies. 26 sixth graders participated in GATEway this year. The GATEway students presented their project based presentations to their parents during a GATEway night in November. They also traveled to Washington D.C. and had an overnight stay in the South Carolina State Museum.

The faculty, staff, and administration at Merriwether Middle School are committed to providing the best educational experience for all of our students. Our commitment to increasing student achievement and the overall development of our students to become productive lifelong learners will be made possible by a collaborative effort of all stakeholders.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
