**Report of Principal and School Improvement Council**

Ronald E. McNair Middle School’s motto, “Ronald E. McNair students are respectful, responsible, trustworthy, and college-bound,” helped to drive the 2012-2013 school year. Ronald E. McNair Middle School is committed to academic excellence and to the education of the whole student. The school’s motto reflects the expectations and the vision of all who are involved in the daily operations of school. REMMS implemented a character education program in order to develop exemplary citizens within the community. Character education classes and a behavior incentive system contributed to the success of the program. Furthermore, the school enlisted various speakers from the community-at-large to address the students about the importance of displaying positive character traits.

The primary focus at Ronald E. McNair was academic rigor. The school continued to offer numerous high school courses – English I, Algebra I, and Computer Applications – as well as advanced English and math courses. Ronald E. McNair Middle School used a challenging district-based curriculum for Talented and Gifted classes. Additionally, the Academic Challenge Team, Matheletes, book clubs, and National History Day were implemented in order to create a school-wide focus on rigor. Great attention was devoted to the school-wide reading program, Reading Counts. REMMS students were recognized for the number of books read and tests passed during the academic year. Accelerated Push to PASS classes offered students additional support and practice on PASS-like testing activities. The ALEKS and Academy of Reading programs were implemented to help close the achievement gap for special needs students.

Professional development continued through the school’s Teacher Advancement Program (TAP), with instructional strategies for single-gender classrooms serving as a focus for the weekly cluster sessions.

As the school prepares for the next school year, Ronald E. McNair Middle School will continue to strive for academic excellence and to focus on building productive citizens for our community, our state, and our nation.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
