## Report of Principal and School Improvement Council

Cowpens Middle School is a rural school with a diverse student population. With student success in the forefront of every decision, the faculty, staff, and administration worked tirelessly to provide each individual student with the assistance needed to move one year closer to college. This was exemplified through our school motto, "Find Your Greatness."

Cowpens Middle continued with successful programs, such as Red Raider Reading, Enrichment, and the Olweus Bullying Prevention Program. Eighth grade English 1 Honors was implemented for a high school credit. Math and English/language arts teachers expanded their knowledge by attending a year-long graduate course that will prepare them for implementation of the Common Core Standards.

CMS students continue to demonstrate excellence in all areas. Ten eighth grade students were honored as Junior Scholars and 24 seventh grade students qualified as Duke Tip Scholars for the 2012-13 school year. Our drama/music atlas students presented "School House Rock" in the District Three Community Auditorium. The Veteran's Day program, school newsletter, and school Web page received awards from the S.C. National School Public Relations Association. Other areas that deserve special recognition are the generosity and caring of our student body. Students continued to raise money for Relay for Life, provide care packages for local students, and visit residents of a local nursing home. Our school was recognized as a Palmetto Silver Award recipient for general achievement.

Our School Improvement Council provided support in several areas this year. Our school volunteers continue to work tirelessly for the betterment of CMS. As we challenge our students to 'find greatness,' Red Raiders continue to herald "A Revolutionary Past" and look forward to "An Extraordinary Future."

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>87.9</b>
