Percent satisfied with school-home relations	61.6%	82.2%	76.1%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McCracken Middle School students excelled this year, both in and out of the classroom. During the 2012-2013 school year, we continued to refine our operation as an 8th and 9th grade school. Servicing nearly 1,000 students, we operate as a 9th grade academy and a middle school offering a wide range of courses to meet the needs of our diverse student population.

In 2012, McCracken had an absolute rating of average and improved that to a rating of good. While maintaining our "good" rating for overall growth in achievement, this places us among the 15 schools similar to us in the state. Our percentage of eighth grade students making exemplary in ELA rose from 37.5% to 39.4%. In addition, in math, our students making exemplary rose from 27.3% to 30.1%. While our students meeting exemplary in science did drop from 49.2% to 46%, our overall percentage of students met did (something seems to be missing here) rise from 86.1% to 87.3%.

Once again this year our school was recognized as a Palmetto Silver Award winner from the State Department of Education for improvement in test scores. We also had the highest number of Junior Scholars in Beaufort County this year as well as 48 Duke TIP Scholars.

Also this year, we implemented a school-wide writing initiative to ensure that writing was a focus in all areas of the curriculum as well as to help improve the scores in the area of social studies. In addition, the social studies department is working hand-in-hand with the district to implement quarterly Document Based Questioning (DBQs) to help increase scores.

We will continue to focus on staff development and building our curriculum maps. We have implemented a school-wide professional development plan that included Common Core State Standards training and lesson implementation. Communication across all subjects and between schools will continue to be a primary focus. We continue to work on our vertical communication with both our feeder middle school as well as the high school, in order to better serve our students.

Outside of the classroom, 60% of our students are involved in a variety of extracurricular activities. From Youth in Government to Science Olympiad to drama productions, our students continue to prove their versatility away from the classroom. As stated above, McCracken's 8th Grade also excelled this year in sports. The boys' basketball team took the championship, the girls' softball team took 2nd place, and the football team ended the season in 2nd place.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.
