Percent satisfied with school-home relations	90%	85.3%	82.7%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Laing Middle School of Science and Technology (LMSST) is one of three middle schools in the town of Mt. Pleasant, South Carolina. It is the only partial-magnet middle school in the area and also boasts being the only school in Charleston County with a Whole School STEM (science, technology, engineering and mathematics) initiative. Our school takes part in The Citadel's Lowcountry STEM Collaborative.

Our Student population of approximately 620 is enrolled in grades 6-8. LMSST has established a tradition of excellence that is evident throughout all areas of our school. It is recognized as a school that provides top-notch education for all students. Laing offers a small-school environment with the curriculum and academic excellence of a much larger school.

Students are exposed to courses such as pre-engineering, robotics, video production, meteorology, forensics and marine science. Our students have the opportunity to earn Carnegie Units for high school credit in Keyboarding, Computer Applications, Spanish I, Algebra I and Geometry. Laing Middle School of Science and Technology's successes are not limited to academic performance.

Our students excel on the playing field as well. Teams include volleyball, basketball, soccer, football, tennis, track, lacrosse and cheerleading. Laing students also participate in a wide range of extracurricular activities. These include Quest, Lego Robotics, Sea Perch, Jazz Band, Geography Bee, Spelling Bee, Regional and State History Day and Trebuchet competitions. At Laing we offer more than 30 clubs covering a wide range of topics. Clubs encourage civic and community responsibility as well as socialization.

Laing's Fine Arts Department (Band, Chorus, Orchestra and Art) regularly competes in state and regional competitions. The Laing Band and the Orchestra also received superior ratings in local and regional competitions.

Laing is working to close the achievement gap and raise PASS scores by the use of several school-wide initiatives. Any students scoring below the 25th percentile in reading receive small group instruction reading. These students are taught by specialized instructors.

The goal of LMSST is to provide the best education possible for 21st Century learners.

Deborah G. Price, Ed. S., Principal
Dawson, SIC Chairperson
