Percent of expenditures for teacher salaries**	55.0%	Up from 47.9%	54.5%	61.0%
ESEA composite index score	27.3	Down from 47.0	59.6	83.5

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	33	116	21
Percent satisfied with learning environment	87.9%	68.1%	76.1%
Percent satisfied with social and physical environment	78.7%	72.4%	76.2%
Percent satisfied with school-home relations	63.6%	76.1%	65%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The new Blenheim Elementary Middle School is located at the center of the town of Blenheim, SC and houses grades Pre-K through 5th, 7th and 8th. Our year began in August, 2012 with the challenge of two campuses, ten miles apart. Our new "State of the Art" facility would not be ready to occupy until December, 2012.

In January, 2013, we moved into our new facility with great anticipation for the remaining year. Our core curriculum included rigorous instruction in Mathematics, Science, Social Studies, and Language Arts. The Read 180 Initiative was implemented this year for grades 5 – 8 and provided strategies to help improve achievement in ELA. Our 8th grade Algebra I and English I students became the first in the district to participate in the South Carolina Virtual Schools Program. Physical Education, Character Education, Music and Visual Arts helped to develop the social and intellectual skills of our students.

Blenheim staff worked hard to prepare students for the PASS exam and end of course testing. Benchmark testing was used to identify areas of weakness so that strategies could be put in place to help students master the needed skills. Year-round professional development was provided to all staff members at the district and school level.

Despite the vast changes during the year, our students received numerous awards in community, county, and state contests. Individual achievement was acknowledged through participation in Media Literacy, Academic Challenge, and Science Fairs. Our STEM Club traveled to Columbia, SC to participate in the Urban League's 3rd Annual Youth STEM Expo to expose them to careers in science, technology, engineering, and mathematics.

Students participated in the Accelerated Reading Program and received awards for highest points earned. Students also excelled in athletics and were honored with middle school championship awards. This year we implemented a new male mentoring program, B.O.W. Tie, which brought pride to our 7th grade students.

Our parents participated in decision making through active involvement in the development of our Strategic Plan, Title I Plan, School Improvement Council, and other parent involvement programs. Progress on our students was communicated through report cards and parent conferences. We are proud of the cooperation and collaboration that exist among all stakeholders who worked together to provide our students with a challenging and academic experience.

Dr. Gwendolyn L. Dixon-Coe, Principal
Ms. Tiffany Covington, SIC Chairperson
