REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Boiling Springs Middle School is a student-centered school community that allows students to reach their fullest potential. During the 2012-2013 school year, enrollment for sixth, seventh and eighth grade totaled 1,086 students. Our school community celebrated numerous successes from the classroom to the fine arts stage to the athletic fields. Our focus is to make decisions that are best for all children. Our academic successes were measured by the Measures of Academic Progress (MAP) and state testing from the previous school year. Our ESEA score was 97.3 out of 100. We were awarded the Palmetto Gold Award for academic excellence. Over 100 eighth graders were enrolled in high school credit courses. Students achieved a 100 percent passing rate on the End of Course test in English I and Algebra I. We recognized 47 eighth graders who earned Junior Scholar status and four seventh graders were recognized for earning Duke University TIP Scholars for their exceptional scores on SAT/ACT.

We hosted seven foreign exchange students from China this spring. The 7th grade foreign exchange shadowed seven of our students for ten days. Different families from our school community served as host parents. We hope to continue this partnership. Our school community is fortunate to offer a multitude of fine arts opportunities and over 300 students take part in these opportunities. Our sixth grade chorus received superior ratings at the SCCDA, and our band and orchestra received excellent ratings as well. The art club sponsored two school based art shows and one community based show. Several students won awards in local and state competitions. Our Junior Beta Club competed at the SC State Beta Club Convention and won several awards. Our Jr. Beta Club Sponsor was selected as the SC State Junior Beta Club Sponsor of the Year. The Student Council and Junior Beta Club lead our student body in several community service projects. Our school collected over \$2,500 for the Christmas Elf project. Our students also participated in Pink Day for Breast Cancer Awareness and we donated over \$2,000 for Pennies for Patients. Parent involvement is an integral part of our school community. Our parents supported our students and school by attending Meet the Teacher Night, parent conferences, fine arts performances, athletic events, and numerous other opportunities. Our PTO was a tremendous asset in numerous ways. The organization sponsors Student/Teacher Spotlight each grading period. They recognize students and teachers for achieving academic, athletic, and community accolades. Boiling Springs Middle School is a student-centered community. Our students, teachers, and parents are proud members of our Bulldog nation, and we strive to be leaders of the pack. Penelope S. Atkinson, Principal Kayla Crabtree, SIC Chair
