REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our mission at Bates Middle School is to ensure an excellent education for all students by providing innovative, challenging and diverse learning opportunities in a secure environment. At Bates Middle School we provide an array of opportunities for our students in areas where they can excel in academics, athletics, and fine arts.

We offer a challenging and standards driven curriculum that is supported by highly qualified faculty and staff. Although we are proud of the accomplishments and improvements made this school year, we are always looking for ways to address our areas in need of improvement. This effort is a continuous endeavor that is focused on daily.

As we continue to research strategies to improve as a school, we will focus on ways to improve our PASS Scores with emphasis on professional development, utilization of researched based programs, Best Practice Strategies and techniques in the classroom, and foster an environment and a school culture for high expectations for student achievement and success. As we prepare our students for a global society, we feel that this is pertinent because the Bates' community envisions developing lifelong learners into confident, competent, and contributing members of society.
