REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

J. Harley Bonds Career Center is located in the J. Harley Bonds Educational Resource Center at 505 North Main Street in Greer. The center is in a modern up-to-date facility. Bonds is truly a special place to learn for the students from Blue Ridge, Eastside, Greer, Riverside, and Wade Hampton High Schools.

Each program is led by a local advisory committee made up of the teacher(s), another staff member and leaders from business and industry. Each committee meets at least quarterly to review the progress of the program and to chart the path of the course for the future. The School Improvement Council is active and plays a major role in developing long range and short range plans for the center. This year the council has focused on making the community aware of what is available and what is happening at Bonds. The committee also voted to expand the student 2 student program for middle students in which our students mentor middle school students to cultivate interest in technology education.

All courses are either nationally certified, carry dual credit from Greenville Tech or Spartanburg Community College, and/or other colleges such as Johnson and Wales University. Culinary Arts is certified by the American Culinary Federation, A+ Computer Repair by CompTIA, Medical Careers by the Red Cross, Pharmacy Technology, Auto Technology by NATEF, Technology and Welding by NCCER. Web Design, Computer Repair (A+), Culinary Arts, Machine Tool Technology, Medical Terminology, Certified Nurse Assistant and Welding provide college credits as well as high school units for students. Auto Technology also is an AYES national training site. NATEF and American Culinary Federation recertified the Bonds' programs after on-site reviews this year.

All students belong to their professional organizations and actively participate at the local, district, state, and national levels. For the 12th year in a row, all students have been members of SkillsUSA, HOSA, or FFA. Ten students participated in SkillsUSA nationally after winning the state contests in plumbing, metal fabrication, first aide/CPR and welding. One student competed in HOSA nationals after winning the state's HOSA competition in sports medicine. One student is serving as state Treasurer for South Carolina SkillsUSA for 13-14. One teacher is serving on the National Education Team for Skills USA.

Anna Chappell is School Improvement Council chairperson and Wayne Rhodes is the Director.
