REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

The Newberry County Career Center enjoyed another very successful year serving students from Newberry, Mid-Carolina, and Whitmire High School. Many of our students take advantage of opportunities to apply what they learn in the classroom to earn professional certification. In 2013-14, fifteen cosmetology students earned their licenses from the State Board of Cosmetology. Nursing Assistants licenses were issued 7 students. We had 184 students earn completer certificates.

Newberry County Career Center's Chapter of the National Technical Honor Society inducted 64 students, our largest group ever. We had several students place in the top ten at Skills USA with Jody Perry finishing 1st in the state in the firefighting competition. There were over 230 work experiences with area partnerships.

Our instructors are certified in their area and work hard to communicate their skill sets to our students. Our professional development continued to focus on Common Core State Standards in ELA. We also had Mrs. Tammi Stewart selected as Teacher of the Year for the School District of Newberry County. We have great community support through active business partnerships and our craft advisory committees.

We maintain our commitment to prepare our students for global society. Your input is welcomed and necessary as we work together to accomplish our goals.
