**District Superintendent's Report**

Making student learning our number one priority, staff participated in professional development through professional learning communities (PLCs) where they developed assessments aligned to state standards and utilized data to drive instruction. Much of this year's professional development involved improving teacher created assessments from kindergarten through twelfth grade and focused on the alignment of curriculum and instruction. Over eighty members of our faculty ended the school year by participating in a summer course titled "Systematic Assessment."

Our elementary schools continued to implement Balanced Literacy across all classrooms as well as instituted Positive Behavioral Intervention and Supports. Elisa Chwialkowski, math teacher at Saluda Middle, was named our District Teacher of the Year. Saluda Middle celebrated eight Junior Scholar Recipients, one SC Governor's School Summer Discovery Program Participant, and one Columbia College Summer Leadership Institute Participant.

Saluda High was the recipient of the Palmetto Gold Award for general student performance. The class of 2014 amassed over \$4 million dollars in scholarship money which sets a new record for Saluda County Schools. Seventy-five seniors were eligible for either a two- or four-year Life Scholarship and four seniors received a Palmetto Fellows Scholarship. Saluda High continued to expand its Virtual Academy with 101 courses completed and added the Middle College this year to allow students to work toward an associate's degree while completing high school. Over 90 students were recognized for completing the Ever Fi program for financial literacy, the FFA chapter won awards in the Regional Competition, and 21 HOSA (Future Health Professionals) students qualified for the National HOSA Competition in Orlando, Florida.

Congratulations are in order for Saluda for becoming the fourth county in SC to become a Certified SC Work Ready Community. Eighty-one students who attended Saluda High or Adult Ed have completed ACT's WorkKeys assessment and have earned a National Career Readiness Certificate. Our Adult Education Program is a Pearson Vue authorized testing center and boasts the completion of 15 high school credentials, the highest since 2002.

We are proud to put children first, to foster a dedicated and knowledgeable faculty, as well as to provide a safe and rigorous learning environment for our students. We thank you for your support and for sharing the responsibility of the accomplishments of our students, our schools, and our community.

David M. Mathis, Ed.D, Superintendent
