Report of Principal and School Improvement Council

The Byrd Elementary faculty and staff continue working together to provide the best educational experience for our students. Our student population is increasing and is diverse. The curriculum is enriched with rigorous academic lessons that promote high student engagement. Teachers deliver instruction that prepares our students for academic success. The students receive ninety minutes of uninterrupted instruction for reading each day. They enjoy working in centers and receiving individual instruction. The curriculum also provides students opportunities to enjoy the arts and other exploratory classes.

In addition to academic initiatives, students participate in the Bully-Free Program and Character Education program, which reinforce good citizenship, self-esteem, and positive social interaction. Each month the Character Education program recognizes a student and a teacher who demonstrate the character word of the month.

Through several organized donation drives during the school year, the students at Byrd Elementary demonstrate a strong sense of compassion by raising funds and collecting items for those who are less fortunate.

Byrd Elementary has an active community partnership program. Many local businesses and churches give their time and resources to enhance our instructional program. Guest speakers supplement classroom activities in many academic areas, including local history. Our community partners sponsor the student and teacher of the month program, the K-Kids Club, and SPCA Character program. The students also enjoy many cultural experiences through the arts, such as the Augusta Symphony Orchestra Brass Trio and theater productions.

The teachers continue their instructional growth by participating in professional development on the school and district levels throughout the school year. Teachers continue to participate in professional development every early release Wednesday of each month. This training provides new instructional support for teachers to implement during their lessons.

The school's Title I Plan continues to offer much needed support by providing one additional teacher, classroom instructional aides, student incentives, and technology initiatives. This plan, along with the PTO, provides support to assist our school with parental involvement.

Mrs. Danielle Cox, Byrd Elementary School's Teacher of the Year, is her peers' choice to represent our school in the District's Teacher of the Year program. Mrs. Sharon Woodward was selected as this year's support staff member of the year.

Byrd Elementary School's mission remains to provide an education that enhances accountability, respect, and self-sufficiency through research-based instructional practices, parental involvement, and community support.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	72.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
