**Report of Principal and School Improvement Council**

The purpose of North Augusta Elementary School is to work cooperatively with parents and the community to promote academic success and rigorous thinking in a safe, challenging environment with high expectations in order to develop lifelong learners. At North Augusta Elementary, we envision our school as a safe instructional environment where all students will have their individual needs, differences and abilities recognized, and will be challenged to excel in learning supported by a cooperative school community. NAE has demonstrated its ability to continue to maintain high expectations and provide an excellent academic program for all students through the support of all stakeholders including the administration, faculty, staff, students, parents and community.

Highly qualified teachers provide rigorous and engaging learning experiences throughout the year to challenge the learners and maintain their excitement about learning. Teachers also grow as learners themselves through monthly staff development learning opportunities in areas such as implementing college and career ready standards and teaching writing across all subject areas.

All NAE students are given opportunities to participate in interactive school activities such as International Day, the Character Parade, Science and Math Day, Career Day and engaging grade level field trips.

With high expectations, innovative instructional strategies and a caring environment the administration, faculty, staff, students, parents and community of North Augusta Elementary will continue to “Believe and Achieve.”

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>92.7</b>
<b>Overall Grade Conversion</b>	<b>A</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
