**Report of Principal and School Improvement Council**

Broad River Elementary School serves approximately 554 students in grades Pre-K through 4. The school is one-third military dependent and has a Title One School-wide Program. Our school is also in its fourth year of implementation of a successful language immersion program in the targeted languages of Mandarin Chinese and Spanish.

Though we have the challenges of a highly transient population and over 70% of our students receiving free or reduced meals, our student achievement continues to grow. Our successes are due to a laser focus on teacher and student growth. We utilize our instructional coaches and master teachers to provide on-site training and resources for our teachers to ensure that they are applying the best practices and teaching strategies. Through these well-trained teachers, our students are presented with intentional, standards-based instruction and are taught various learning strategies.

As a result of these efforts, we are seeing student academic growth in many areas. While extremely proud of our achievements, we are continually analyzing our data and talking with our students, teachers and parents to identify areas upon which we can improve and to strategize on ways to do so.

Because of the efforts of a dedicated and hardworking school community, our student growth and achievement continues to excel!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>81.4</b>
<b>Overall Grade Conversion</b>	<b>B</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Broad River Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
