Report of Principal and School Improvement Council

The Joseph Shanklin Elementary School family began the 2013-14 school year focused on the three R's of 21st century learning with a renewed sense of urgency. We agreed to employ a rigorous curriculum that set high expectations for everyone while providing our students with the skills and motivation to meet them. We worked to create personalized learning environments where students could uncover their strengths and talents. We devoted ourselves to making education worthwhile to students each day so that they understood the relevance of the new learning.

With a new administration (Principal and Assistant Principal) on board for the 2013-14 school year came a renewed instructional focus on the Common Core State Standards including continued implementation of the school district's Balanced Literacy Plan and the Everyday Mathematics Program, along with the school-wide use of science kits to promote hands-on learning for our students. Positive Behavioral and Intervention Supports (PBIS) and Response to Intervention (RTI) initiatives have helped to substantially reduce discipline issues and promote a positive learning climate for students and staff. A continued focus on family friendly service, along with increased communication helped to promote a more positive experience for our families, our staff, and the community. Volunteers supported our Literacy Initiatives through United Way partnerships, and we continued to work very closely with our families to increase attendance and reduce truancy and tardiness at JSES. Student leadership development is a priority for our school family. Our student-led recycling program brought about environmental awareness and resulted in a "greener and cleaner" campus. Our student leaders collected hundreds of can goods for the local food bank. The Joseph Shanklin Elementary School Choir was selected to perform at several local events, including their third consecutive invitation to perform at the local airport. Above all, growth in student achievement continues to be one of the successes we enjoy. The majority of students in grades 2 through 4 continue to meet or exceed their individual growth targets as measured by the Measures of Academic Progress (MAP).

Demands for increased academic rigor are being made, and we are striving to increase the achievement of all our learners, while promoting a positive, nurturing, and responsive school culture. Increasing retention of our most effective teachers, with a focus on results in student achievement, and increasing our skills to differentiate instruction will continue. As we strive to educate proficient 21st century learners, we will continue to collaborate to increase the achievement of each and every child and to make decisions that are in the best interest of the students we serve in the Joseph Shanklin Elementary Family.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Joseph S. Shanklin Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
