Report of Principal and School Improvement Council

Pritchardville Elementary School serves a diverse population of over 870 students in grade Pre-K thru 5th grades. We were awarded the Palmetto Gold Award for student achievement for the 2013-2014 school year. We are a school-of-choice that provides curriculum from the Advanced Mathematics Engineering and Science (AMES) Program in grades 3 thru 5. The project based AMES curriculum incorporates the engineering cycle within standards performance based lessons. Student work/projects were featured as part of our AMES quarterly showcases.

Pritchardville Elementary School offers a menu of value added enrichment programs throughout the school year for our students. A few examples include: ESOL Books and Breakfast Program, Chorus, 2013 School wide Art Show, Sammy Reading Challenge, WPVES News Show, Running Club, Chess Club, and School Patrols. Approximately 100 students participated in the Read To the Principal program this school year which gave them an opportunity to share their reading and receive a book of their choice.

Pritchardville Elementary School earned an absolute rating of Excellent and a Growth Rating of Good for 2013-2014 school year. We received a Grade A rating via the ESEA/Federal Accountability Rating System

Pritchardville Elementary School has been recognized by the State of South Carolina for our Positive Behavior Interventions and Support (PBIS) program. PVES students are expected to display REACH (Respect, Effort, positive Attitude, Cooperate with others, and show Honesty to everyone) behaviors in a daily environment at school.

Our staff continues to participate in professional development with areas of focus in differentiation of instruction, running records, guided math framework, and technology integration. As school we have implemented Lucy Calkins writing program, BCSD initiative, at all grade levels.

As part of our efforts to prepare students for college and careers our fifth graders (the class of 2021) participated in a career fair. Community members and parents were called upon to speak about their career in association with the standards that the students were learning in their classrooms.

As a school, we are looking forward to expanding our engineering focus to all grade levels. We are integrating the "A" for 'art' to make our STEM initiative - STEAM - Science Technology, Engineering, Art, and Math!

We are proud of the World Class Education all students receive at Pritchardville Elementary School!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pritchardville Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
