**Report of Principal and School Improvement Council**

Bonner Elementary is a rural school located nine miles northeast of Moncks Corner, South Carolina. We serve approximately 800 students from nine small communities. Our greatest asset would be the commitment of our community and faculty to helping Bonner students reach their goals.

We continuously assess student performance and use the data to help guide our instruction and target specific student needs. We implemented programs such as ACHIEVE 3000, FASTTMath, IXL, technology instruction, inquiry based science lessons, and Roscoe Reading. These programs add an element of fun which help students to understand that learning can be enjoyable. Our goal is to provide technological equipment for our students that will help them to be competitive academically and with any future employment opportunities. We currently have Kindles, Kindle Fires, netbooks, iPad Minis, Dell Tablets, and six computer labs which are used to enrich classroom experiences.

Our parent and community volunteers have been a crucial component of our success this year. The numerous hours they spent at Bonner helped our faculty, staff, and students in many ways. Our PTO board has continued their efforts to support educational field trips with all Box Top money received from the Box Tops for Education Program. Our students traveled to the Columbia Zoo, Cypress Gardens, Charlestowne Landing, Columbia Edventure Museum, and Wonder Works, just to name a few. These educational activities create a lifetime of memories for our students and their families.

“Bonner’s Academy of the Arts” finished the year with an incredible spring showcase, “Wonderland”. We are looking forward to our fourth year of this arts integration initiative. The arts strategies engage our students while allowing them to create and explore while learning. Bonner’s school within a school program will continue for the 2014 – 2015 school year. Our school received the South Carolina’s Arts in Basic Curriculum Grant. All of these initiatives will assist us in our goal to reach every child through arts integration.

Through our shared purpose, vision, commitments and goals, the Bonner staff, parents, and community will continue to work diligently to ensure every student’s success.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>85.1</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Bonner Elementary School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
