Report of Principal and School Improvement Council

The Pinckney Elementary staff and faculty, in partnership with families, are committed to ensuring a healthy balance of instruction, extracurricular activities, and social opportunities for our students. Our students achieve at high levels, which has resulted in our school being recognized as a National Blue Ribbon School as well as a Palmetto Gold School. Additionally, we recently received the state's Silver Award for Closing the Achievement Gap.

Providing an array of educational opportunities ensures that each child's educational needs are met. This philosophy is the driving force among Pinckney's highly motivated team and is evident through the assortment of learning opportunities offered at our school; single gender classes, action-based learning, and an alternative math curriculum are some of the options available to our students. In addition, each Pinckney student is provided with his/her own iPad. Students use these instructional tools for creation, application, and research purposes. This is twenty-first century learning in action!

Students have a variety of activities from which to choose including: Chess Club, Student Council, Ecology Club, girls' and boys' basketball teams, Drama Club, Chorus, Lego League, and the WCPE news show. Social and academic-centered opportunities are numerous as well. Parents, students, and staff members enjoy the Harvest Ball, Oyster Roast, Festival of Books, SMART Night, Sock Hops, and the Science Fair. At the end of each year, we host Pinckney Palooza, a school-wide celebration of the arts.

Pinckney's persistent pledge to excellence has and will continue to produce responsible citizens and life-long learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
