Report of Principal and School Improvement Council

We hinge this success on the plethora of instructional strategies and all the hours of hard work teachers have devoted to education. Throughout the school day, students are engaged in whole group, small group, or individualized instruction. We were fortunate to have had four interventionists to work with high, average, and lower achievers in kindergarten through fifth grade. Research-based strategies such as PBIS, SRA, and RTI, and Daily-Five provided us the practical methodology to help students develop relevant literacy and math concepts. Our focus for learning encompassed student engagement with a focus on vocabulary, reading fluency, and the ability to analytically interpret and solve math problems. All classrooms are rich with current and relevant resources, advanced technology, and other supplementary materials.

Learning is not just for the students. Once a month, our teachers attend Professional Learning Communities (PLC's). Teachers are learning how to use data to drive instruction and how to change and implement strategies to meet the individual needs of the students.

Many of our students attended the afterschool program where they were able to do homework and work on specific skills in reading and math. The rising third graders will be able to participate in our "Summer Reading Program" and receive lunch as part of the free Summer Lunch Program.

Parents and our community partners have whole-heartedly made a collaborative effort to support our vision and our mission. With the help of parents, business and community partners, students were able to participate in LegoRobotics, field trips, Camp Giorno, leadership mentoring sessions, extracurricular sports, and community events sponsored by the Boys and Girls Club. On behalf of the faculty and staff, we thank all of our parents, churches, PTO, SIC, and business partners for their great support.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	11.7
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mary Bramlett Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
