**Report of Principal and School Improvement Council**

Knightsville Elementary School is a phenomenal place for children, teachers, and families. It is our privilege to meet the academic, social, and emotional needs for all our boys and girls. We are proud of our 1,400+ children, families, 130 faculty/staff members, and the Knightsville community. Thank you for helping us to maintain the positive atmosphere at Knightsville Elementary.

Our mission statement expresses our desire to create lifelong learners who are able to meet the challenges of the future. We are accomplishing the mission by making a difference in the life of every child, every day. This occurs through building relationships, rigorous instruction, and making learning relevant for every child. Our faculty, staff, parents, and students make KES an outstanding school. We are the proud recipients of the South Carolina Palmetto Gold Award for academic achievement. KES earned this honor because of the high achievement scores. Our school has various extracurricular activities that include a Steel Drum Band, Knightsville Sound, Annual Art Shows, Sculpture Garden, and various other clubs that promote healthy lifestyles.

Children at Knightsville Elementary School not only achieve high academic success, they receive strategic instruction on core lifelong guidelines building character and citizenship. Our Positive Behavior Interventions and Support (PBIS) focuses on our ROAR Procedures – Respect, Order, Achievement, and Responsibility. You will find this as an overall theme when you visit our school.

Our vision focuses on preparing our children to be citizens who love, learn, and lead. It is our desire to create an environment where the adults in the school love children, teach the children to love themselves, and teach them to love others. This environment includes high standards and expectations for learning and citizenship. Our children are expected to learn during every minute of the day. We want the stakeholders at Knightsville Elementary School to be leaders of themselves, others, the community, and the world through the efforts of the school community.

Due to the diligence of the outstanding faculty, student achievement and building relationships will remain a top priority at Knightsville Elementary School as we continue to be an EXCELLENT school! As we partner with Dorchester School District Two and the Knightsville community we are committed to making improvements. We value the overwhelming support from our parents and the community as we partner together to provide the most beneficial educational experiences for our children. It is a privilege and honor to work with such an exceptional school community.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>90.6</b>
<b>Overall Grade Conversion</b>	<b>A</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
