Report of Principal and School Improvement Council

Summerville Elementary School is a neighborhood school nestled within the heart of Historic Summerville. Our mission is to lead the way, every learner, every day, with rigor, relevance, and relationships. Our goal is to create leaders of self by teaching skills of self-discipline, self-awareness, and self-confidence. We are proud to have been named the 25th Lighthouse School in the world through The Leader in Me initiative.

This year we celebrate our continued academic success. SES received a report card rating of “A” and an absolute and growth rating of Excellent. We also received a Palmetto Gold Award for achievement and a Palmetto Silver Award for Closing the Achievement Gap. Our teachers were engaged in debriefings to analyze student data in order to continually improve instruction and meet the diverse needs of our learners. Our students, 4K – 5th grade, have their own data notebooks where they set personal and academic goals and track their progress throughout the year. These notebooks are used during student-led conferences with parents and peers. At our annual Parent Information Night, teachers share our school goals and classroom goals with parents to ensure a successful year. Students are involved in leadership roles for parent nights, PTA meetings, the Arts Festival, Leadership Day, Award Ceremonies, and various other family nights.

We attribute our successes to our dedicated students, teachers, parents, and community. We are fortunate to have a deeply involved business community that supports our efforts inside the classroom by offering their time and expertise to co-teach lessons with teachers. This Adopt-a-Teacher model allows our students to experience life skills through the eyes of professionals in the field. They are truly impacting a generation of learners at SES.

Our systematic approach to interventions allowed us to offer instructional support to our students in kindergarten through fifth grades in the areas of literacy and math. In addition to our data debriefings, we also hold quarterly intervention meetings to ensure all students receive the academic support they need to thrive. Students who participate in our intervention program show considerable growth and build strong relationships with our intervention staff.

Our day begins with students presenting the news and ends with them giving the afternoon announcements. Students are involved in the decision-making process at all levels, even participating in interviews for potential teacher candidates. We are committed to keeping our students at the center-point of everything we do. We set our yearly goals to include plans to benefit each and every child that we are honored to teach and mold for our future workforce. Summerville Elementary School...Inspiring Greatness.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.2
