**Report of Principal and School Improvement Council**

Windsor Hill Arts Infused Elementary School is a Title I school located in North Charleston and serves approximately 850 students in grades 4K-5th. Our school mission is to provide meaningful opportunities through arts-infused, technology-based, and differentiated learning experiences that create lifelong learners. We focus heavily on three critical components for student success: arts infusion, technology integration, and differentiated instruction.

All children attend semester-long classes in instrumental and vocal music, theater arts, 2-dimensional and 3-dimensional visual arts, dance, as well as team and individual sports. Enrichment programs include show choir, boys' choir, African drumming, drama, media arts and health and wellness, visual arts, and dance.

Students in grades 4K-1 work to build literacy, math, and science skills daily in their classrooms through a computer-based program called Waterford. Second through fifth grade students go to one of four up-to-date computer labs each day to work in the Compass program. SMART Boards, LCD projectors, Airliners, and SMART Response Systems are also at use daily in our classrooms. Students and teachers have access to more than 120 iPads for instructional and learning projects.

Universal screeners are administered three times each year to assess students' current levels in literacy and math. Interventions are developed based on this information to help all students reach their maximum potential in math and reading. Our district math and literacy models devote time to differentiated instruction through small group and individualized lessons.

Our school is a PBIS Banner School. Students learn to SOAR on the Hill by meeting expectations in the areas of Safety, Organization, Achievement, and Respect. Scripted lessons, classroom guidance, and character education support students as they strive each day to become their very best. Behavioral and academic achievements are celebrated regularly.

Through work with the PTA Board, School Improvement Council, business partners, community members, parents, and our school faculty, Windsor Hill focuses on student achievement and success. Parents are involved in key decisions regarding the Title I Plan. We work together to provide an environment that creates lifelong learners.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>90.7</b>
<b>Overall Grade Conversion</b>	<b>A</b>

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
