Report of Principal and School Improvement Council

Joseph R. Pye Elementary is located in the heart of one of the fastest growing districts in SC. Our current enrollment is 841 K4 through 5th grade students as well as 49 Head Start and PD 3-year old preschoolers. Our staffing has grown in response to increased enrollment to a current total of 110. All teaching staff has continuously met the qualifications for certification as highly qualified personnel.

Our Mission is to prepare today's learners to be 21st Century Leaders as they explore, discover, and learn. Our Vision is to become a world class model STEAM school that promotes integration of the arts and sciences. Our academic and school climate Goals are based on the Dorchester School District Two guiding tenets of rigor, relevance, and relationships: 1) To build relationships in a positive school climate and a culture of mutual respect. 2) To promote rigor for all students and, 3) To ensure relevance in teaching with clear focus on student learning. As a result, JPES has earned the Palmetto Gold Award for student achievement in 2012 and 2013, and the Palmetto Silver Award for closing the achievement gap in 2012. We are the Explorers. "Trotter" (the animated globe) is our mascot. He reminds us that Explorers are brave people who find new paths to make our world a better place. Our character education plan is based on the premises of the Positive Behavior Intervention System (PBIS). We tie it all together with our travel theme and "Pye Miles" that move children from the boarding gate to coach, business, and ultimately FIRST CLASS citizenship. Through time and travel we "STEER Our Way to Excellence" by land, sea, and air.

Relationships: At JPES, we have worked collaboratively to make each year of performance our "Springboard for Continuous Improvement". We have established solid relationships and foundational beliefs that will allow us to build a world class model school. We recognize that home-school communication and rapport between administrators, parents, teachers and students is imperative for sustainable growth. Rigor: JPES engages in "Courageous Conversations" to monitor student performance data at the state, district, school, classroom, and individual student levels. We have identified patterns of performance, strengths and weaknesses, that drive action plans to create opportunities for change and growth. We have built balanced teams vs. committees to address areas of need. "Team Pye" is organized into Student Achievement Teams and School Climate Teams that are charged with planning, implementing, and evaluating school events, activities, and programs to ensure alignment with established goals for student achievement and school climate. Relevance: As a result, we have identified the targeted areas of need and will tailor our delivery of curriculum, instruction, and intervention to meet the needs of all students in the upcoming year. We will work to close achievement gaps for African American males; students with Special Needs in ELA, math, and science; students receiving subsidized meals; and all females in math. We will improve academic vocabulary and reading fluency for students in K-3. We will improve student performance in science and social studies in grades 3-5. We will improve student performance in writing in grades K-5. Come join us. We welcome "Frequent Flyers"!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	86.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Joseph R. Pye Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
