**Report of Principal and School Improvement Council**

Maryville Elementary School continues to be committed to providing a climate where all students can achieve and experience success. Our mission through collaboration from home and community is to encourage students to believe in themselves, excel in performance, and succeed in life. We strive daily to fulfill this mission.

Throughout the year we continue to assess students’ progress to improve instructional strategies used in our classrooms to meet the needs of our diverse population. It is critical for us to develop enrichment as well as remediation programs, at all levels of instruction through academic tutors, focus groups, and continuous flexible grouping to meet the needs of all our students. Students continued to achieve much success this year with these in place. Simultaneously we examined data from common assessments, benchmarks, DIBELS, and MAP and made adjustments to instruction.

Maryville students are provided with opportunities through various areas of discipline. Students are recognized in semester academic awards programs, in art through the Superintendent’s Art Awards and the Principal’s Gallery. Our students participate in sponsor funded programs such as: YSpash and First Tee. They participate in Olympic programs as well as musical programs during the school year.

Our PTO continues to provide outstanding assistance and incentives for our students, teachers, and the school through fundraising and several great projects. One of their biggest projects was the Spring Fling. It was phenomenal!!!

We are dedicated to achieving our mission by developing critical thinkers and preparing each student to be responsible while challenging them through their educational experience. We ask for your continued support through this journey.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>79.2</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Maryville Elementary Schol has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
