Report of Principal and School Improvement Council

Goals and Objectives: Blythe Academy of Languages is a foreign language magnet school offering partial immersion programs in French and Spanish. Immersion students are taught math, science, and health in the target languages. English/language arts and social studies are taught in English. FLES (Foreign Language in the Elementary School) provides 30 minutes of Spanish instruction daily for students not in immersion. The Kite-II curriculum is used for FLES students in grades 3-5. Blythe staff worked with parents and community representatives to develop a shared vision and school goals for the 2013-14 school year. They reviewed the latest test data, SC state standards for learning, and the Education Plan of Greenville County Schools. Priority goals for Blythe were to improve student performance in Mathematics, English/Language Arts, Science, and Social Studies as measured by PASS. Strategies to support these goals included implementation of Quality Tools; Balanced Literacy ; Everyday Counts Math; use of math manipulatives; improved alignment of curriculum with state testing; school-wide writing and editing rules; technology integration; and thinking and reasoning activities. Compass Learning software for all students, Response to Intervention and Early Response to Intervention in Reading and Math for students in 5K – grade 2 continue to be used. Classroom teachers worked with the lab manager to integrate technology into the academic curriculum. PTA sponsored tutorial and mentoring programs provided assistance to struggling students. MAP data were used to more effectively guide instruction and monitor student progress. Our SIC (School Improvement Council) worked with PTA on our goal of parent communication and training (CCSS, Balanced Literacy, etc), wellness initiatives, and encouraging community and parent involvement in school activities. All school strategies were aligned with and supported the five goals of the District Education Plan. Success will be measured by student performance on standardized tests, and parent and student surveys.

Accomplishments: Blythe 5K and first grade students were assessed using the SC Readiness Assessment Test. PASS and ITBS scores are in line with district and state scores. Blythe scored 84.6% on the state accountability matrix based upon spring 2013 PASS, and received two Palmetto Gold Awards for PASS performance and for Closing the Achievement Gap. Blythe is the only International Spanish Academy School in SC and has twice been a finalist for the International Spanish Academy School of the Year Award. In May 2013, Blythe was named the International Spanish Academy Elementary School of the Year. The Blythe SIC was a finalist for the Dick & Tunky Riley SIC Award of Excellence in 2012.

Plans for the future: Study of the most recent test data will be critical in planning for the 2014-2015 school year. MAP (Measure of Academic Progress) testing, continues to provide detailed information regarding student performance and instructional needs of our students. Results from various surveys administered to students, parents and staff will be reviewed. Faculty, staff, SIC, and PTA will all be involved in establishing specific goals and strategies to improve student academic performance.

Principal: Sandra E. Griffin, Ph.D. SIC Chairs: Mary Green and Joni Young

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	92.8
Overall Grade Conversion	A

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
