Report of Principal and School Improvement Council

Brushy Creek Elementary School has a long history of excellence in education and care for students with a strong involvement from the community. During the 2013-14 school year, this tradition has continued through the efforts of our staff, students, parents, and community leaders working together to maintain a high standard of excellence while focusing on continuous improvement.

As a part of our continuous improvement, we are proud of the accomplishments and honors that we have received for the 2013-14 school year. Brushy Creek Elementary achieved “excellent” report card ratings for student achievement in PASS testing! Additionally, we earned state recognition and received the Palmetto Gold and Silver Awards for attaining high levels of academic performance and closing achievement gaps. Our PTA raised over \$20,000 through partnerships and community participation in a variety of fundraising events and activities. We are appreciative of the commitment and support from our Brushy Creek family for their endless support of our programs and school goals.

Our teachers and staff members’ commitment to providing our students with a high quality education is evident through this year’s professional development in the areas of literacy best practices and the implementation of common core standards. This was the initial year for Brushy Creek in regard to the training and implementation of Fountas and Pinnell’s literacy practices. As a school, we have consistently implemented a variety of balanced literacy practices such as: Four Blocks, 6 + 1 Writing Traits, etc. However, as a district initiative, we received extensive professional development on Fountas and Pinnell as another approach to providing students with meaningful reading and writing instruction in order to improve student achievement. We believe in order to improve our effectiveness as educators we must stay abreast of instructional best practices to improve teaching and learning and increase student achievement. It is our goal to continue to implement these practices into our instructional program with fidelity and pervasiveness so that our students will be prepared to meet the challenges of 21st century learning.

“Building a Community of Excellence One Student at a Time” is our school motto developed with input from our PTA, SIC, teachers, and students. Professional conversations with all stakeholders centered on our efforts to continue the tradition of excellence, to provide a family friendly environment for learning, and to work collaboratively with our parents and community members to teach the “whole child” to succeed. Our motto represents our commitment to ensuring that our students receive the best education in an environment where student learning and achievement will always be our top priority.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	97.4
Overall Grade Conversion	A

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
