Report of Principal and School Improvement Council

The mission of Mountain View Elementary in cooperation with the community is to provide a safe, positive environment where children build skills, knowledge, and character needed for lifelong learning. Mountain View Elementary is a warm, community centered school steeped in rich tradition. We have received the Red Carpet Award three times, which honors schools that provide warm, friendly environments where people not only are welcomed but also are made to feel part of the school family. We are the first school in Greenville County to be a three time award winner. Mountain View values not only customer service, but safety for every child. We have received the Safe Schools award seven times.

Our faculty members participate in many worthwhile professional development opportunities including the pursuit of advanced degrees, technology training, and Fountas and Pinnell training. Fountas and Pinnell is a balanced literacy approach for teaching reading. We will continue Fountas and Pinnell training for balanced literacy in the upcoming school year to further enhance our reading program. All teachers are also fully trained in Project Read strategies that further enhance our English Language Arts curriculum. Eight teachers currently have National Board certification.

Our Professional Development School partnership with North Greenville University continues to grow and strengthen as we support interns, members of our faculty serve on the NGU Advisory Council, and our PDS committee works to commit our mission and goals to a written document. We also offer many opportunities for students to develop leadership skills and to take part in service learning.

We continue to maintain the school portfolio. The portfolio is a working document that is updated annually. The purpose of the portfolio is to create a clear picture of who we are and how we go about the business of educating children. The portfolio contains information about our school demographics, our current programs, our partnerships with business and community, and test score data. We can use these data to evaluate programs and policies and assess their effectiveness.

Our technological hardware is currently up to date. We are acquiring new and innovative technology each year. With our current resources, we continue to advance both teacher and student technology proficiency. We ensure technology is integrated into all areas of instruction. It is used as a major means of communication.

Jennifer Gibson, Principal

Mr. Donny Kauffman, SIC Committee Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	90.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mountain View Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
