Report of Principal and School Improvement Council

Tigerville Elementary School is a community school located in Northern Greenville and serves 261 students in grades K4 through grade 5. Our school has a community atmosphere in a cheerful, child-centered facility. Tigerville Elementary school is a school where all children are known by his/her name. The staff at Tigerville Elementary works diligently to provide the best educational experiences for our students. We believe learning must include instruction that is integrated, aligned with state standards, and includes opportunities for the use of technology. The instruction is multilevel; takes place in individual, small and large groups while addressing the diverse learning styles of children. Each year, stakeholders review the school’s strategic plan and make changes to meet the needs of the students. This year, teachers focused on continued implementation of a balanced literacy approach. Tigerville connected with the Cliffs at Glassy to provide reading volunteers four days a week in grades 1-3. Our school became a wireless school and we were able to put some i-pads in each classroom. Teachers worked diligently to incorporate the use of i-pads into their daily lessons. We continue to strive to move student achievement forward. Students and staff serve the community through a variety of service learning projects such as food drives, collecting pop tabs, and hosting a school-wide yard sale. Tigerville Elementary is a proud school where students, parents, staff, and community members work together! “Can’t Hide The Tiger Pride!”

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	99.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
