## Report of Principal and School Improvement Council

Greenbrier Elementary, a public school in southern Greenville County, is located in the Mauldin community. Our school, home to over 760 students, has heterogeneously grouped classes in kindergarten through grade five. We have one 4K classroom and four self-contained special education classes. Specialists in art, music, physical education, and library science teach all students.

Our mission is to develop confident lifelong learners by creating a safe, positive, and inviting environment that engages students, celebrates individual differences, and allows students to reach their potential. Our students and teachers take active roles in shaping the culture and environment of the classrooms, as well as of the school at large. We focus on being Seekers of Learning and Models of Character.

Working together, our Parent Teacher Association (PTA) and School Improvement Council (SIC) along with parents/guardians, school staff and the community seek to serve the mission of Greenbrier. The partnership between Greenbrier's PTA, SIC, and the community is held in high regard. Through gifts of time and donations, our community partnerships allow us to host school events throughout the year. We are extremely proud of our achievements, too. This year, our PE teacher and one of our parent volunteers were recognized by the SC PTA as the State Teacher of the Year and State Volunteer of the Year at their annual convention!

### Seekers of Learning –

The academic curriculum is both meaningful and appropriately challenging for all students. With ongoing staff development, effective strategies are presented and shared to ensure that teachers are meeting the learning needs of their students. Academic support is given to students who struggle with their learning. Formative common assessments provide data for teachers to address students' learning needs. Common grade level planning provides collaboration for curricular decisions that address and support student needs. These strategies ensure that every student is valued and respected and every opportunity is given to assist each student to excel.

### Models of Character –

The School of Kindness is a philosophy that seeks to instill traits, such as respect, courtesy, respect, honesty, and integrity, into our staff and students. Working together, our school community shares the school-wide vision of being kind and assists with community service projects by helping others in need. By learning how to actively Take Time to Be Kind (TTTBK), students and staff promote a climate of trust and support.

The 2013-2014 school year has been extremely successful, and we look forward to opportunities that lie ahead for our students and our school. For information about our school, please contact Mrs. Amanda Moreno, our SIC Chairwoman or our principal, Mrs. Nicky Andrews.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>92.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Greenbrier Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
