Report of Principal and School Improvement Council

The staff at Grove Elementary continues to provide the highest quality instruction to each of our students and to promote programs that assist students in the fulfillment of individual potential through the positive, creative, and challenging instruction guided by Standards supported by the State of South Carolina. Our focus for the 2013-2014 school year continues emphasize education of the whole child through academic, character, and health related education. Promoting Grove as a school with Strong Minds, Strong Programs, Strong Partners, we continue to support quality programs to promote lifelong learning and healthy lifestyles. The professional development concentration this year remained literacy instruction expanding balanced literacy instruction writing instruction. Teacher planned scope and sequence emphasizes spiral growth, common language, and common planning techniques from Kindergarten through grade 5. Grove maintains intervention programs, adding Leveled Literacy Instruction and continuing Wilson Reading as part of the list of resources. Based on Measures of Academic Progress (MAP), students receive leveled math intervention in the regular classroom. The CATCH program continues to promote the involvement of the entire school family and has led to a school running club that competes annually. Bulletin boards, posters, healthy news notes, and nutritional information for parents continue as part of the CATCH program this year. Physical activity in the classroom, in physical education, and at home continued to be encouraged and communicated. Students continue to benefit from the Fresh Fruits and Vegetables program where a fresh fruit or vegetable snack is provided 3-5 times per week. Culinary Cuisine brings to our children healthy foods and a variety of choices prepared fresh daily on site in our own cafeteria. CHAMPS were introduced to expand Positive Behavior Intervention Systems (PBIS). Students are guided and supported with character education and appropriate behavior and individual choices. Recognition activities reward and acknowledge students who continually make the right choices behaviorally, socially and academically. . Bullying prevention and identification is discussed and solutions presented school wide through a variety of opportunities for students. Parents are a major part of the Grove school family. Parents participate in School Improvement Council, Parent Teacher Association, and the school volunteer program. Business partners support our academic efforts and participate in celebrating our successes.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.3
Overall Grade Conversion	B
