Report of Principal and School Improvement Council

Robert E. Cashion Elementary School is a beautiful facility that opened its doors in August of 2003. The school owes its heritage and thanks for a strong foundation to one who lovingly and professionally served students of Greenville County for 40 years, Mr. Robert E. Cashion. The school is located in the Southern end of Greenville County on Fork Shoals Road across from Bonnie Brae Golf Course. The new facility serves students in four year old kindergarten through fifth grade. The school received a Southern Association of Colleges and School Accreditation Peer Review during the 2005-06 school year. The review team rated the total school program as exemplary, and recommended the school's continued accreditation. In the spring of 2009, the School District of Greenville County received National Accreditation.

The 2008-09 school year ushered in a new assessment, the PASS. During the years of PACT (the former State assessment) and the four years of PASS, our test scores have continued to affirm that all students are achieving. The school's Absolute rating has remained average over the last ten years. In recognition of the school's academic efforts, the State Department of Education awarded our school a Palmetto Silver Award for excellent results in Closing the Achievement Gaps. The staff at Robert E. Cashion continues to pursue the goal of providing each student with the skills necessary for academic success.

We are continuing to do yearly need assessments to determine the best ways to meet the academic needs of all our students. As a result of our needs assessment, we will be focusing on the following goals for the 2014-15 school year: Using effective methods and instructional strategies that are researched based to strengthen the core academic program; increasing the quality of learning time; providing high-quality and ongoing professional development for teachers that support best practices for teaching all academic subjects; and increasing parental and community involvement in the school.

The school staff, students, parents and community partners work consistently to convey a caring and nurturing atmosphere where positive social, emotional, physical and educational growth of students is apparent. It is the mission of the school to see that our COMETS and staff are "Lighting the Way to Achievement and Dreams!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
