**Report of Principal and School Improvement Council**

Improving student achievement in all academic areas continues to be our goal. We strive daily for our students to excel academically and prepare socially to compete in a global society. To that end, the faculty and staff at Eleanor S. Rice Elementary School has implemented the Common Core State Standards in English language arts and mathematics. Teachers meet regularly to plan effective, engaging lessons that address higher order thinking skills, and lessons that are differentiated to focus on individual student needs. Our grade level teams, along with the administration, meet weekly in Professional Learning Communities. Through these PLC meetings, analysis of the individual and class data help to identify areas of strength, areas that needed more emphasis, as well as individual students that may need more specific interventions.

Rice has continued to utilize the balanced literacy approach for reading instruction in all grade levels. We have continued our Ranger Time lessons to address science, a specific area of concern. Ranger Time is a science lab that utilizes hands-on, standards based, science instruction. We have two reading interventionists that provide support for students in grades 3-5 that perform below grade level. We have continued to provide Reading Recovery for struggling readers in first grade as well as additional reading support for kindergarten and second grade students.

Rice Elementary continues to be a proud PBIS School focused on teaching and acknowledging positive behavior. Incorporating technology has been a major focus for our school through the use of iPads, computer labs, and SmartBoards. Rice students participated in service learning activities throughout the year to give back to our community. Some of those projects included The United Way, Relay for Life, Jump Rope for Heart, and March of Dimes.

At Rice we are continuing to strengthen the relationship between school and home. Each grade level held a parent involvement activity within the first nine weeks of school. We also had Grandparents Day, Technology Night, Hispanic Fiesta, PTO meetings, musical performances, Summer Reading in the Garden, Family Nights Out, a Spring Carnival, 100 Book Club, as well as monthly Birthday Lunch Celebrations.

Eleanor S. Rice Elementary School is committed to making a positive difference in the lives of all of our students. We believe the dedication and talents of our teachers, staff, parents, and community members will empower our students to be respectful, responsible, and productive citizens.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>80</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**
