**Report of Principal and School Improvement Council**

Springfield Elementary School is committed to preparing every student to be college and career ready. Our students remain at the forefront of all of our decisions. During this school year, Mrs. Sharon Lagrone was selected as our teacher of the year and Mrs. Patty Nickles was named our support staff of the year.

We became part of Transform SC this school year. This has been an exciting new adventure as we begin to reshape teaching and learning. Our students have been engaged in many projects that have helped to bring their learning to life.

Our school embarked on a technology journey this past year. Students were allowed to bring their own devices and teachers focused on using technology in their classrooms to increase student engagement. We also had several iPad carts available for teacher check out in order to enhance their lessons in the classroom.

Professional development for our teachers continued in the areas of ELA, math, science, and technology. We continued to focus on the reading and writing workshop throughout the school year. Being an avid and successful reader is essential to the success of our students.

The goal of the faculty and staff of Springfield is for each student to reach their full potential. On a daily basis, we model for our students the importance of being a lifelong learner. We strive to foster a learning environment where all students can SHINE each and every day.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>87</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Springfield Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
