**Report of Principal and School Improvement Council**

Myrtle Beach Intermediate had a busy and rewarding 2013-2014 school year. We started the new year getting to know each other and becoming a family. We started with school wide class meetings for parents, as we continued activities that involved parents through our parenting program. Our fourth grade students went to Ft. Sumter and the Charleston Aquarium, as our Fifth graders spent three days at Camp Kate in Charleston. We had two Table Manner Days, celebrations of the Covey Habits, along with many more activities through achievement. We continued to emphasize and model the Covey 7 Habits throughout our curriculum and day in having high expectations for children in being good citizens. Students, parents, and the community raised money for Relay For Life and American Heart Association and Jump Rope for Heart. Computer assistance was offered in math and ELA, along with Homework helper time each morning. We added an additional technology lab which gave us two labs to use daily. Our Title One funds supported parent workshops, additional laptops, ipads, and site visits from consultants for our staff. Students received instruction on their level in reading and math focus groups. Planning and instruction were based around the data from MAP (Measuring Academic Progress student work and responses. Teacher, administration, and student conferences were held throughout the year to determine student achievement goals and assess the progress toward those goals. The dedication and commitment of the MBI teachers and staff provided for a productive year.

PTO sponsored a successful fundraiser, Spring Fling, and student reward programs. Community support came in generous gifts from the "Caring for Kids" organization on a weekly basis. Along, with a \$500 grant from Walmart. Bo jangle's was a huge contributor in sponsoring the "Leader in Me" program and provided incentives to students in the form of coupons and certificates for achievement, attendance and Covey habits. Many hours of volunteers' time were logged by helping students with academic and character development. We worked closely with Myrtle Beach High School to sponsor Mentoring Men. We continue each and everyday to strive to provide students with a stable quality environment where each student can achieve their potential.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>93.5</b>
<b>Overall Grade Conversion</b>	<b>A</b>

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
