Report of Principal and School Improvement Council

The students and staff of Hardeeville Elementary School are working diligently to become a school of "Excellence". We have embraced the motto, "Soaring to Excellence," and it is our belief that we will achieve excellence at Hardeeville Elementary School.

Hardeeville Elementary School we continue to follow a comprehensive curriculum that focuses on student achievement. Our implementation of the Common Core State Standards will help to ensure that the students are engaged in lessons with high levels of rigor, engagement, and relevance to skills needed in the real world. For the 2013-2014 school year, the teachers implemented the Everyday Math series to help improve student achievement in the area of Math. Our school also piloted the First in Math® online math program to offer additional practice with fundamental math skills. Based on MAP data for the 2013-2014 school year we have seen gains made by our students in math in all grade levels.

In the area of Language Arts, Hardeeville Elementary continues to work towards improving students' reading levels by encouraging students to read, read, read. We have continued our partnership with the United Way of the Lowcountry. United Way of the Lowcountry volunteers work with our students to improve reading skills and strategies needed to become proficient readers. We continue to promote reading daily with our students at school and at home with their families. "My Very Own Book Project," with the help of community volunteers, continued this year and provided every student with a variety of books to read at home. Study buddies, e-books, Accelerated Reader® and Tumble Books® are used to infuse technology into Language Arts and encourage students to read. To assist in screening and progress monitoring our students in reading, we use Istation which categorizes students into Rtl tiers and individualize instruction for them based on their needs. By encouraging students to read, read, read, we have seen gains made by our students in reading MAP scores for all grade level for the 2013-2014 school year.

Hardeeville works to educate the whole student. Academic achievement is vital, but we also develop our students socially. Character education focuses on good citizen traits and a trait or character word is highlighted each month. The character word is demonstrated by the students and incorporated in a feature writing piece which allows the students to write how they have displayed that month's characteristic. Our school counselors also work with our students to develop good characteristics through classroom guidance sessions; as well as, individual and group sessions. We continue to promote PBIS, Positive Behavior Interventions and Support, which are proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. We have quarterly PBIS incentive celebrations to recognize students' outstanding behavior.

The partnership between the school and community is vitally important to the success of our students. We will continue to enhance these partnerships to help ensure that we are meeting the needs of all our students. It is through these partnerships with our parents and community that our goal of "Excellence" will be achieved. It is our belief at Hardeeville Elementary School that "Success is the ONLY Option!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	45.8
Overall Grade Conversion	F
