Report of Principal and School Improvement Council

With the close of the 2013-14 school year, Blaney Elementary completed its first year with a new administrative team. Blaney continues to have an award winning Archery team. The team finished second in the state competition and 26th in the national competition. Blaney started a Robotics team in 2014 and will begin competing during the 2014-15 school year. Blaney continues to offer students in grades 2-5 the opportunity to participate in running clubs to promote exercise and healthy lifestyles. Our guidance counselor provides our students the opportunity to give back to the community through a program called SERVICE QUEST. This year our students, parents and staff raised over \$5,000 for local charities and gave over 60 units of blood during the annual blood drive.

Our 2014 PASS scores showed academic progress but also a weakness in Math that will be addressed school wide in 2014-15. Blaney Elementary's extraordinary staff continues to benefit from staff development opportunities. Teachers participated in ELA, math science and social studies staff development. Our school teacher of the year, was an Honor Roll Teacher (Top 5) for District Teacher of the Year.

Our outstanding parent organizations, Blaney PTA and School Improvement Council (SIC), once again supported initiatives and provided leadership for continued school improvement. The PTA funded grants written by teachers for the classrooms. They also provided many needed materials for the school. The SIC continues to improve the playground and running track for our students. They also provide leadership and accountability to help BES meet its SACS plan of action. The members of these two organizations are integral to our success. Blaney Elementary is a special place for students and families- a place where students are challenged to achieve excellence and taught to help others.

We believe in our slogan, "Our Future's So Bright We Gotta Wear Shade".

Ed Yount, Principal

Julie Eastin, SIC Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
