**Report of Principal and School Improvement Council**

Orchard Park Elementary School continues to make improvements in student achievement as indicated by MAP and PASS data. Our areas of focus have been on reading, writing, and math, especially as we prepare for the implementation of the Common Core State Standards. As a Title 1 school, we have been able to provide additional assistance to students in individual and small group settings. We have purchased instructional materials which include books, math materials, and science supplies to supplement our curriculum and instruction. The Money Cents program was also implemented to support the South Carolina financial literacy standards. Orchard Park continues to make improvements in reading achievement as indicated by PASS, MAP, and teacher assessments. Through comprehensive professional development and data analysis, the teachers have worked to target areas of weaknesses to better address the reading needs of their students. Through our Title 1 monies, we were able to employ three classroom teachers for first, second, and third grades to reduce student/teacher ratios. Additional Reading interventionists were also hired to work with our kindergarten, first, and second graders. We continue to implement a balanced literacy approach through the Journeys Reading series. A Literacy Coach works with our teachers and students to promote proficiency in both reading and writing. A comprehensive staff development plan was developed and implemented to provide training in the Common Core State Standards. Visits were made to other high achieving Title 1 schools to learn successful strategies and techniques. Math instruction is delivered through the Envision Math program. A Math Coach/ Interventionist was hired through Title 1 funding to provide support to teachers and students.. An initiative was undertaken in March to have 100% of OPE students memorize their addition and multiplication facts for rapid recall and consistency in order to better facilitate higher order math skills. By the end of March, over 75% of OPE students were 'Math Masters'. Data analysis indicates that Orchard Park Elementary is improving in all academic areas as a result of the programs, strategies, and training that have been implemented.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>88.9</b>
<b>Overall Grade Conversion</b>	<b>B</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**
