Report of Principal and School Improvement Council

Marshall Elementary School is the second largest school in Orangeburg Consolidated School District Five and the largest Elementary School in Orangeburg County. The school’s mascot is the bumblebee. Its ability to fly defies the theory of aerodynamics and achievement of the impossible. Strong community support and a dedicated staff with many of the staff serving the school for over 10 plus years mandates that we will achieve the impossible, which is optimum success for students, parents, faculty and staff.

The School Improvement Council and the Parent Teacher Organization are a vital component of the school. These organizations continually seek opportunities to provide financial support for students at Marshall for field experiences, technology, and incentives for student performance.

While the Marshall Elementary School Academic Team demonstrates compassion and determination, the bigger focus is on developing Professional Learning Communities (PLC’s) and providing teachers with expertise on understanding and tracking data to inform instruction. The PLC’s are centered on the data team process, intervention, and the use of PBIS to maintain and support classroom management.

Marshall also celebrates student success. Students who achieve the honor of Principals List (all A’s) for the 1st semester and second semester were rewarded, as well as, top achievers on PASS. Students on Honor Roll and with Perfect Attendance are recognized quarterly. The District Spelling Bee Champion is a “Marshall Bee”. Students achieved the honor of first place and third place in the Fresh Fruit Grant contest. A Marshall student also placed first in the Phi Sigma Pi Essay contest.

Understanding, compassion, and lending a helping hand to others continues to be the norm for Marshall. Our students, parents, faculty and staff, united as a family, continue to support others through the March-of-Dimes, Relay for Life, Pennies for Patients and various other programs.

Marshall is unique in that the student enrollment ranges from 930-950 for students in grades Pre-K through fifth. The student population is comprised of students from different ethnic and racial backgrounds, predominately African American. Marshall has many students and families with English as their second language and communication between the home and school is difficult. Approximately 80% of the student population is served by the free or reduced lunch program

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79.7
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Marshall Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
