**Report of Principal and School Improvement Council**

The staff at A. J. Lewis Greenview Elementary School continues to strive to improve academic achievement for all students.

The Lewis Greenview Elementary staff is committed to excellence and continuous growth in all areas. We continue to focus on improving literacy by implementing best practices in reading to ensure that students are proficient readers by grade three. Our teachers continue to participate in literacy workshops and share strategies with their colleagues in our continued efforts to promote professional learning communities. The school’s reading interventionist worked with students in grades 2-5 who scored below average on MAP and Star assessments. Teachers in grades K-3 continued using the Dominic assessment to plan instructional activities to meet the needs of individual students in reading.

Additional interventions included after school improvement classes in the content areas; retired teachers working with identified students in grades four and five during the regular school day; emphasizing raising academic achievement in math and reading; CD and Kindergarten students using Breakthrough to Literacy to develop the skills necessary to become competent readers; and incorporating flexible grouping throughout the school to assist students experiencing difficulty with identified skills. Our 2013 PASS results indicated a need to continue focusing on developing students’ skills in math and science. Therefore, teachers will continue to share effective mathematics and science strategies at faculty meetings and during staff development activities. The school will continue professional development for all teachers on the Principles of Learning in order to continue raising student achievement in the areas of social studies, science, and math.

Highlights included having nine National Board Teachers on staff. Our Odyssey of the Mind team won two-first place honors at state competition, thereby qualifying to compete in the World Finals Competition in Ames, Iowa. The School Improvement Council supported teachers in the implementation of a successful Math/Science Night for parents. The school’s Aerobics Avenue Fitness Club won the Silver medal and a monetary award of \$2500 for promoting a healthy school environment through good nutrition and physical activity. The school received an ESEA (Federal Accountability Rating System) Rating of “A” for 2013.

Challenges that our school continues to face include drastic changes in community demographics; single parent or extended family members heading households; and a growing number of grandparents serving as the primary caregivers to students attending the school. Our overall goal is to focus efforts on meeting the academic needs of all students in our changing community.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>82.2</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

A. J. Greenview Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
